

Do you like to spend your free time on the water?

Do you sail, fishing or just want to spend time with your family ?

Do you dream about your own boat?

New boat has just born, which let your passion come true. Her name is Delta. She was made to serve you when you want to excite the thrill of sailing, rest during the fishing or just relax in calm nature environment.

Do you think boat service can be a problem?

In this case look at the Delta carefully. You will see quickly, how easy you can lift it up and move on trailer or top of your car. Her dimensions make the storage easy and folded mast fits inside the hull. When you find yourself on water with Delta, you will admire how comfortable sit two persons there and how we made sail service simple nobody likes to exert oneself. Total preparation for sailing takes only a few minutes. The mast you slip into the hulls slot, and you zip the sail around the mast like a jacket. Isn't it easy?

TECHNICAL DATA

The real thrill of sailing

If you don't feel like sailing, that's great ?

Delta is also comfortable rowing boat, or you can use outboard motor and go for excursion or fishing. Put fishing rod into the holder and all needed equipment you can pack in to spacious lockers. You can fit even a tent there.

You will feel stabile and confident on the Delta and additional security feeling provides unsinkability of the boat. Delta is unsinkable thanks to displacement foam filled chambers, also in the top of mast and boom. After first voyage, you will wonder, why there was not so fine and general-purpose boat before, and where to go the next adventure...
